

Webmail Upgrade

As part of our commitment to quality and continual improvement, we will be upgrading our webmail interfaces www.getmymail.co.uk and www.mybusinessmail.co.uk to the latest release

What will happen?

During the maintenance customers will not be able to access the webmail platforms

When will the work be carried out?

Tuesday 28th April 11am - www.mybusinessmail.co.uk

Wednesday 29th April 11am - www.getmymail.co.uk

Who will be completing the work?

Easyspace Linux Infrastructure team.

Will I experience downtime?

Email will continue to deliver via applications however during the upgrade there will be no web-mail access.

Thank you,
Easyspace
